

12th Annual Prostate Cancer Awareness Golf Tournament

***September 26, 2023 at 9:00 AM
to benefit***

The Prostate Cancer Educational Institute of Virginia, 501-c-3

www.PCEIVA.org

Your generous sponsorship allows for the PCEIVa to operate and to provide support for those who need our assistance. A Tournament Sponsorship provides adequate funds to maintain our website for a year. We feel it is critical to provide this resource to those who are in need. With your support, we have been able to continue to maintain our website, provide educational seminars, our support group and radio ads. Our advertising efforts have spread the word about our support group and more individuals are able to benefit from the wealth of knowledge and the support of the individuals who participate. Thank you for making this possible! A financial statement is available upon request from the Virginia Department of Agriculture's Office of Charitable and Regulatory Programs.
